

**STATE OF MINNESOTA
MINNESOTA STATE COLLEGES AND UNIVERSITIES
ST. CLOUD STATE UNIVERSITY and
INVER HILLS COMMUNITY COLLEGE
INTRA-AGENCY AGREEMENT**

**Transfer Articulation Agreement
Program: Physical Education – Teaching**

A. This Intra-agency Agreement is entered into between **St. Cloud State University** (SCSU) and **Inver Hills Community College** (IHCC). The purpose of this Agreement is to provide a clear mechanism to facilitate the transfer of credits from IHCC Physical Education Associate of Science (AS) degree to SCSU for students desiring to earn a Bachelor of Science degree and teaching licensure in Physical Education.

B. The parties agree that:

1 INTRODUCTION

Providing students with quality educational opportunities is a mission of both SCSU and IHCC. Students who complete the A.S. degree at IHCC may transfer to SCSU to complete the physical education program and be prepared to enter the teaching profession in physical education or proceed to graduate education in the field.

2 TRANSFER GUIDELINES AND POLICIES

2.1 Credit Transfer Articulated Programs

The evaluation and transfer of earned credits shall be in full compliance with the Minnesota State Colleges and Universities' (MnSCU) Board of Trustees Policy Section 3.21: Undergraduate Credit Transfer and all other state and federal educational policies pertaining to undergraduate credit transfer. Current students and graduates, who have earned degrees or diplomas from IHCC, shall be eligible for credit evaluation under the terms of this agreement. Programs eligible for transfer under this articulation agreement are listed in section 3:1 of this document.

2.2 Associate of Science Degree (AS) Transfers:

2.21 AS degree graduates will transfer all of their general education/Minnesota Transfer Curriculum (MnTC) coursework and any other successfully complete college level courses. MnTC coursework already completed as part of this AS degree will be applied to the SCSU general education/MnTC requirements.

2.22 General Education/MnTC Requirements:

AS transfer students must satisfy the general education/MnTC requirements of a SCSU baccalaureate degree. MnTC coursework already completed as part of the AS

education/MnTC requirements at SCSU (see part 3.1). AS transfer students will have to complete any remaining general education/MnTC requirements.

Major coursework that will transfer into the baccalaureate degree will be outlined in part 3.1.

NOTE: Specific general education/MnTC prerequisite support courses may be required of this program and will be listed in 3.1 Articulated Programs section of this document. Completion of these program-specific requirements may cause the transfer student to exceed the graduation requirement of 120 semester credits.

2.23 Transfer of Credits:

Each of the SCSU programs listed in section 3.1 of this document will establish and maintain current course transfer guides. The transfer guides will be updated biennially for courses that will transfer from IHCC into the related baccalaureate program at SCSU. When a student transfers, courses will transfer in accordance with this agreement and be placed on the standard Transfer Credit Evaluation form by the Admissions Office Transfer Specialist.

3 ARTICULATED PROGRAMS

3.1 Articulated Programs

After reviewing the courses listed below, the faculty of the Health, Physical Education, Recreation and Sport Science Department and the faculty of the listed programs agree that these programs partially fulfill the requirements of the baccalaureate degrees specified and are appropriate for transfer.

The following specific class equivalencies are deemed comparable and will be considered to fulfill course requirements of the Health, Physical Education, Recreation and Sport Science Department at SCSU.

SCSU Required	IHCC Equivalent
Major Courses	
PESS 248	BIOL 2201
PESS 295	PHED 1100
PESS 123	PHED 1109
PESS 249	PHED 2100
HLTH 215	HLTH 1120
PESS 206	HLTH 1125
HLTH 405	HLTH 1130
PESS 122	HLTH 1155
PESS 349	BIOL 2202
PESS 104	PHED 1106+1118+1129

SCSU Required	IHCC Equivalent
Liberal Arts Courses	
ENG 191	ENGL 1108+1111 OR 1114
CMST 192	SPCH 1110
Math requirement	MATH 1101 or above
Social/Behav. Sci. Requirement	Goal 5 selections (see attachment)
Humanities/Fine Arts Requirement	Goal 6 selections (see attachment)
Natural Science Requirement	fulfilled by BIOL 2201 and 2202

3.2 Agreement Review:

Faculty in participating departments from both institutions will review and update the articulation agreement during each program review cycle but at least bi-annually.

3.3 Articulation Agreement Timelines:

____ August 2003 _____
Effective Date

____ July 2005 _____
Date of Review

C. This Agreement may be amended at any time with the mutual written consent of Inver Hills Community College and St. Cloud State University.

D. This Agreement will be effective on __ August 2003 ____. It may be cancelled at any time by mutual consent of the parties. However, the parties agree that arrangements will be made for students participating in the program at the time of cancellation to complete their program.

E. Unless the parties have agreed to a different method of dispute resolution, as attached to this Agreement, they shall submit the dispute to the Chancellor or the Chancellor's designee for resolution.

*Meets SCSU Diversity (MGM) requirement also.

Inver Hills Community College
PHYSICAL EDUCATION
 Proposed A.S. Degree

Intended for articulation to Augsburg College, St. Cloud State University, or Winona State University.

Length: 60 credits

Purpose: The purpose of this degree is to prepare students to seamlessly transfer into a 4-year teaching program in Physical Education. Students will gain knowledge of the human body systems and their adaptations due to exercise, exercise prescription and wellness management. Students may also use this degree to work in the fitness industry.

Physical Education Curriculum			credits
EDU 1191, 1192, OR 1193	Intro. To Urban Education		3
BIOL 2201	Anatomy and Physiology I*		4
PHED 1100	Intro. To Physical Education		2
PHED 1109	Weight Training**		2
PHED 2100	Anatomical Kinesiology and Biomechanics		3
