Funds to Help You be Successful this Fall

Dear Marlo,

With the fall semester quickly approaching, I want to reach out to thank you for choosing to pursue your education at Inver Hills Community College. We are grateful to have you as part of our campus community.

As you make your final preparations before classes begin, we encourage you to obtain all your books and materials that you may need from the bookstore in order to be ready to learn on the first day of class. We know the cost of these items as well as transportation to school and other related expenses adds up.

As a result of the federal funding received through the American Rescue Plan, we will be distributing a student success award to you next week. You will receive these funds through the Bank Mobile process.

We will send additional communication out to you, including information about the final amount, when the funds have been released. As a reminder, starting Monday, August 16, email communications from the
college will be sent to your new institutional email address. Should you still need to activate your account, please do so right away by doing the following:

1. Do a StarID password change.
2. After the new password synchronizes then follow the steps to access your college email.

Finally, if you or your family’s financial situation has changed from what is reflected on your federal income tax return used for the FAFSA, you may be eligible to have your financial aid adjusted. Complete the FAFSA questions as instructed on the application, submit the FAFSA, and contact the Office of Financial Aid to discuss how your financial situation has changed.

If you have any questions, please let me know.

Thank you.
