COVID-19 Planning (Coronavirus)

Please note that system and college leaders have been monitoring news about COVID-19, coronavirus disease 2019. Even though the level of risk for Minnesota is currently low, we are reviewing our emergency operations plan and pandemic plan, and sharing information with local agencies. The Minnesota Department of Health provides regularly updated information about the coronavirus; you can access the site here: https://www.health.state.mn.us/diseases/coronavirus/index.html. Please look for further information in the near future.
