***Grid indicates the first class meeting of the week. Starting class time that falls anytime in the range applies.***

Courses that span two time slots may use both exam times if necessary. For example an 8:00am M-F course could meet M 8-10 and T 8-10.

**\* All MATH sections meeting during this time for final exam.**

\*\*If students have a conflict with MATH, they can make other arrangements with their instructors.

If a student has more than one Wed. only, Thur. only, or Fri. only courses, they need to make arrangements with the instructors.

Saturday courses will have their final exam during the last class meeting.
