

Employer of the Day Table Location

When you arrive, please check in at the Center for Career Development and Community-Based Learning in the College Center building on the second floor. We are located across from Counseling and Advising. One of our employees will walk you to your spot in which you set up. There is a chance that no one will be here at that time. If that is the case, please consult the map/directions included at the bottom of this email or go directly to the Employer table.
