

# Starfish: Your Success Network

## Opt-in to text messaging!

You will begin by setting up your student profile. Your profile lets instructors and advisors know who you are and how to contact you. It also gives you control over how you wish to receive emails and opt into Text Messaging.

1. Begin from your Starfish 'My Success Network' page.
2. Open the Starfish navigation menu icon located at the top left corner of the page.
3. Under your name click *Profile* to open your *Starfish Profile page*.
4. From here, you can customize your profile by uploading a photo, and adding an *alternate email* address for receiving Starfish emails, using **your mobile phone to OPT IN to TEXT MESSAGING.**
5. To have Starfish emails sent to your mobile phone:
  - Enter the *email address* of your mobile phone in the Alternate Email field. This address will be a combination of your phone number plus carrier information.

Alternate Email	<input type="text" value="5132842342@txt.att.net"/>	
	<small>All notifications will be sent to your institution email address.</small>	
Email Preference	<input checked="" type="checkbox"/> Also send notifications to my alternate email address	<a href="#">Cell Phone Users: Read more details.</a>

-  Press the tiny phone icon (  ) on the far right for a list of common carriers and email address formats.
  - Click the check box labelled, '*Also send notification to my alternate email address*'.
6. Once you have made your desired changes to your profile, click the **Submit** button to save your updates.
