

Education Foundations Cooperating Teacher Evaluation Form

This will be administered electronically, with a link provided by the Inver Hills Community College faculty member including in an email to the Cooperating teacher after the signed time sheet is submitted to the D2L drop box by the candidate. The Cooperating Teacher's certificate of mentorship hours will also be included with this email. The Education Foundation's Program Coordinator is responsible for reviewing and evaluating the data for improvement.

Start of Block: Default Question Block

We appreciate your commitment to our Inver Hills Community College student candidate and community-based learning. Your responses will help improve our future partnerships. Please be candid in your evaluation. Thank you for your assistance.

Please tell us about you

- Your name _____

When did the Field Experience occur? (This is a pull-down menu)

▼Spring 2019 ... Fall 2021

Please indicate your level of agreement with each of the statements below about the recent Field Experience for which you were the Cooperating Teacher

	Strongly agree	Agree	Somewhat agree	Neither agree nor disagree	Somewhat disagree	Disagree	Strongly disagree	Not applicable
Student candidate was well-prepared for their Field Experience.								
Our school could provide adequate supervision for the student candidate								
The Field Experience project helped address needs within our school								
Student candidate generally had adequate skills to fulfill the Field Experience requirements								
Student candidate was typically dependable, dedicated, and professional								
Communication with Inver Hills Community College personnel was effective								

	Strongly agree	Agree	Somewhat agree	Neither agree nor disagree	Somewhat disagree	Disagree	Strongly disagree	Not applicable
I was aware of the connection between the Field Experience project and the candidate's course material								
The Field Experience project benefited our school								
Our school thought the Field Experience project was worthwhile								
Our school would like to continue being a Field Experience Partner								
I would recommend a Field Experience Partnership with Inver Hills Community College to other schools								

What problems, if any, did you encounter during this Field Experience Project?

What benefits did your school receive through the Field Experience project?

What would you, as a Cooperating Teacher, do differently next time?

Thank you! Please contact Cheryl Redinger, Education Foundations Program Coordinator at Inver Hills Community College, (creding@inverhills.edu) or 651.450.3306 if you would like to talk about this or future Field Experiences.
