PRE-SOCIAL WORK TRANSFER PATHWAY A.S., 60 CREDITS

Pre-Social Work Curriculum 38 cr
 Additional General Education/MnTC 22 cr

PURPOSE

The Pre-Social Work Transfer Pathway A.S. offers students a powerful option: the opportunity to complete an Associate of Science degree with course credits that directly transfer to designated Social Work bachelor's degree programs at Minnesota State universities. The curriculum has been specifically designed so that students completing the pathway degree and transferring to one of the seven Minnesota State Universities* enter the university with junior-year status. All courses in the Transfer Pathway associate degree will directly transfer and apply to the designated bachelor's degree programs in a related field.

The Pre-Social Work Pathway consists of the Required Pathway Curriculum and the Minnesota Transfer Curriculum (MnTC), to bring your credit total to 60 credits.

Note: If you have been arrested, charged or convicted of any criminal offense, you should investigate the impact that the arrest, charge or conviction may have on your chances of employment in the field you intend to study or on your chances to obtain federal, state and other higher education financial aid. Some courses within this program require a criminal background study to successfully complete. Please see the course description section of the catalog for more details. Please refer to the Criminal Background section of the catalog for more information on the criminal background study.

*Universities within the Minnesota State system include Bemidji State University; Metropolitan State University; Minnesota State University, Mankato; Minnesota State University, Moorhead; Southwest Minnesota State University; St. Cloud State University; and Winona State University.

HUMAN SERVICES ASSISTANT CERTIFICATE, 30 CREDITS

Human Services Assistant Curriculum	22 cr
Electives	8 cr

PURPOSE

This program provides students with the knowledge and skills necessary to obtain entry-level employment in the human services profession.

PROGRAM INFORMATION

Students in this program will acquire theory, knowledge, skills and techniques to prepare them for employment. This program helps students confront directly the realities of a career focused on helping others. Students explore attitudes, thoughts and feelings as they affect their ability to work effectively with others as a human services generalist. Direct experience with human service consumers and agencies, through internship and class experiences, are essential features of this program. Students also can specialize in areas such as mental illness, mental retardation, chemical dependency, child development or aging by focusing their internship and course work in those areas.

Note: If you have been arrested, charged or convicted of any criminal offense, you should investigate the impact that the arrest, charge or conviction may have on your chances of employment in the field you intend to study or on your chances to obtain federal, state and other higher education financial aid. Some courses within this program require a criminal background study to successfully complete. Please see the course description section of the catalog for more details. Please refer to the Criminal Background section of the catalog for more information on the criminal background study.
