BUSINESS TRANSFER PATHWAY

A.S., 60 CREDITS

Business Curriculum	30 cr
General Education Curriculum	30 cr

PURPOSE

The Business Transfer Pathway A.S. degree offers students a powerful option: the opportunity to complete an Associate of Science degree whose course credits will directly transfer to designated Business bachelor's degree programs at Minnesota State universities. The entire curriculum has been carefully designed to guarantee junior-year status to students who have been admitted to one of the seven Minnesota State universities*. There, students can complete their bachelor's degree by earning 60 additional credits.

*Universities within the Minnesota State system include Bemidji State University; Metropolitan State University; Minnesota State University, Mankato; Minnesota State University Moorhead; Southwest Minnesota State University; St. Cloud State University; and Winona State University.

CONTEMPORARY BUSINESS PRACTICE

A.A.S., 60 CREDITS

Business Curriculum.....	38 cr
General Education Curriculum.....	22 cr

PURPOSE

This program is designed to prepare students for increased responsibilities in management, supervision, marketing, sales or small business management. The A.A.S. degree provides additional business coursework for individuals who wish to seek new employment after graduation or who wish to enhance their advancement opportunities with their current employers.

PROGRAM INFORMATION

The Contemporary Business Practice A.A.S. degree is fully accredited by the Accreditation Council for Business Schools and Programs. As such, the business department has adopted a continuous improvement process centered on offering coursework that meets the demands of today's business environment. The program provides for electives in business that allow students to customize their program to meet individual learning objectives as well as fulfill various requirements for four-year bachelor's degree programs at selected colleges and universities. Because there are fewer liberal arts credits, the A.A.S. degree is not typically recommended for students who plan to earn a bachelor's degree. Students planning to earn a bachelor's degree typically consider the Business Transfer Pathway A.S. degree as well as meet with an Inver Hills counselor or advisor early in the program to determine the most appropriate course of action based on educational and career goals.
