Degree Programs

TRANSFER PATHWAYS

Transfer Pathways are designed so you can complete an associate degree at Inver Hills, then transfer as a junior to a Minnesota State university. Transfer Pathways can be a great resource for saving time and money, enabling you to earn a bachelor's degree without losing credits or taking extra courses.

ASSOCIATE OF ARTS (A.A.)

The A.A. degree is an ideal choice if you are planning on transferring to a four-year college or university to complete a bachelor's degree. You will save money and have the added advantage of working one on one with experienced, expert faculty.

ASSOCIATE OF FINE ARTS (A.F.A.)

Our A.F.A. degree allows you to establish yourself in one of three artistic pursuits: Art, Music or Theatre. You can earn your A.F.A., then transfer to a four-year to earn a B.F.A., or you can transition directly into your fine arts profession.

ASSOCIATE OF SCIENCE (A.S.)

Primary purposes of our A.S. degree:

- > Provides credentials for a specific career
- > Prepares you for transfer to a four-year partner institution

ASSOCIATE OF APPLIED SCIENCE (A.A.S.)

Primary purpose of our A.A.S. degree:

- > Launching your business or IT career as soon as possible

CERTIFICATES

If you're looking to develop in-demand skills in specific career areas, earning one or more certificates is an excellent option. See list at inverhills.edu/certificates.

START YOUR BACHELOR'S AT INVER

- > Save thousands of dollars by completing freshman and sophomore years at Inver
- > Easily transfer to many four-year colleges or universities
- > Classes taught by experienced, expert faculty, not teaching assistants
- > A.A. with emphasis offers smooth transfer to upper-division courses
- > Transfer agreements with almost 20 college and universities

Tuition & Financial Aid

One of the most cost-effective options in higher education, tuition and fees for one full-time year at Inver Hills cost a little less than \$5,500. Compare that to \$15,000 at a for-profit college or \$40,000 to \$50,000 at a private college or university. Complete your first two years at Inver and receive an outstanding education, then transfer to a four-year college or university as a junior to complete your degree or enter the work force. Inver offers financial support in a number of ways, including:

- > Federal, state and private grants
- > Federal subsidized and unsubsidized loans
- > Federal work-study jobs
- > Scholarships awarded by the Inver Hills Foundation (need- and merit-based)
- > Payment plans

Student Support

We offer a wide range of services with your success in mind. From tutoring to career counseling to academic advising, we have you covered during your collegiate experience.

UNIQUE PROGRAMS

ASAP: Adult Success through Accelerated Pathways (ASAP) offers the chance to earn a college degree at an accelerated, flexible and independent pace. Explore ways to earn college credit for knowledge and skills gained through work and life experiences (Credit for Prior Learning – CPL) or by proving knowledge through testing (College-Level Examination Program – CLEP).

Learning communities: One of the best ways to take on challenging and important courses, a learning community gives you the chance to work as part of a cohort with shared interests and goals.

FLEXIBLE OPTIONS

Inver Hills offers several degrees and certificates completely online. The college delivers nearly 80 online classes during fall and spring semesters and about half that number during summer session. Visit inverhills.edu to learn more.

Online & Hybrid: In addition to taking classes on the beautiful Inver Hills campus, many classes are offered fully online or in a hybrid format, which is a combination of face-to-face and online instruction.

SUPPORT SERVICES

Career Center: The Center for Career Development and Community-Based Learning helps students and alumni achieve their career and educational goals through learning about the world of work and internship preparation.

Learning Center: Located on the second floor of the Library, the state-of-the-art Learning Center features an environment that fosters individual study and group work, plus free tutoring designed to help students work faster and smarter.

Student Life: By participating in Student Life programs, activities, clubs and organizations you learn to lead and serve others while enhancing your academic success and cultural awareness.

TRIO Student Support Services (SSS): TRIO SSS provides academic advising, major exploration, career and college transfer planning for low-income, first generation college students and students with disabilities.

Veteran Services: In 2019, Best for Vets ranked Inver Hills #20 for two-year colleges nationwide for veteran and military student success rates.

Counseling & Advising: Counselors and advisors provide one-on-one help with academic planning, student success, transfer/career planning, and personal concerns.

The Office of Accessibility Resources (OAR): Supports students by overcoming barriers to academic success. OAR provides individualized services and fulfills accommodation requests for students who have, or think they have, a disability (learning, sensory, physical, chronic health, or mental health).
