

Majors are listed as examples. Work with an academic advisor to determine the math sequence that best fits your educational plans.

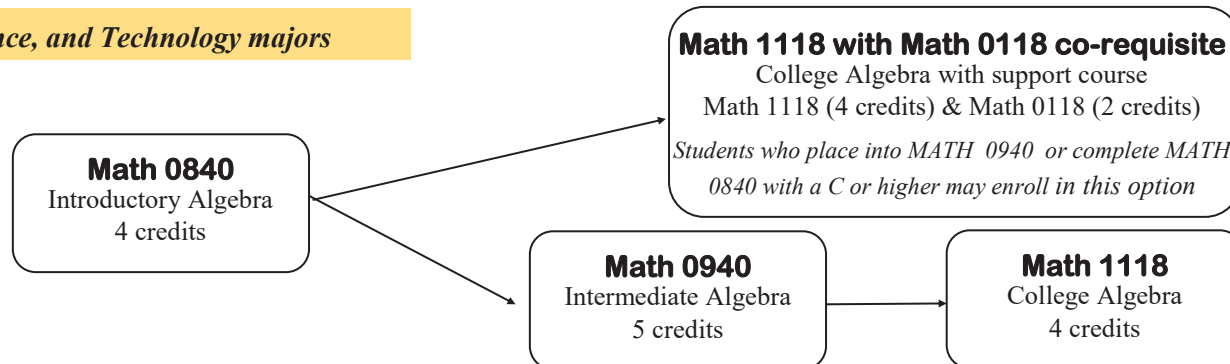

**OPTION A: For Liberal Arts majors (Ex. Art, Communication, English, Music)**

**OPTION B: For Education and Social Science (Ex. Psychology, Sociology) majors**

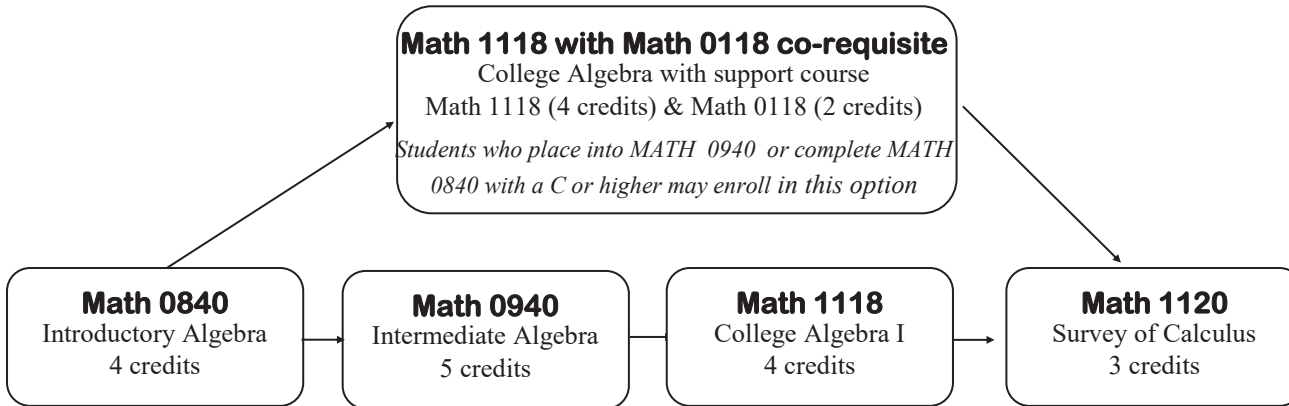

**OPTION C: For some Business, Science, and Technology majors**

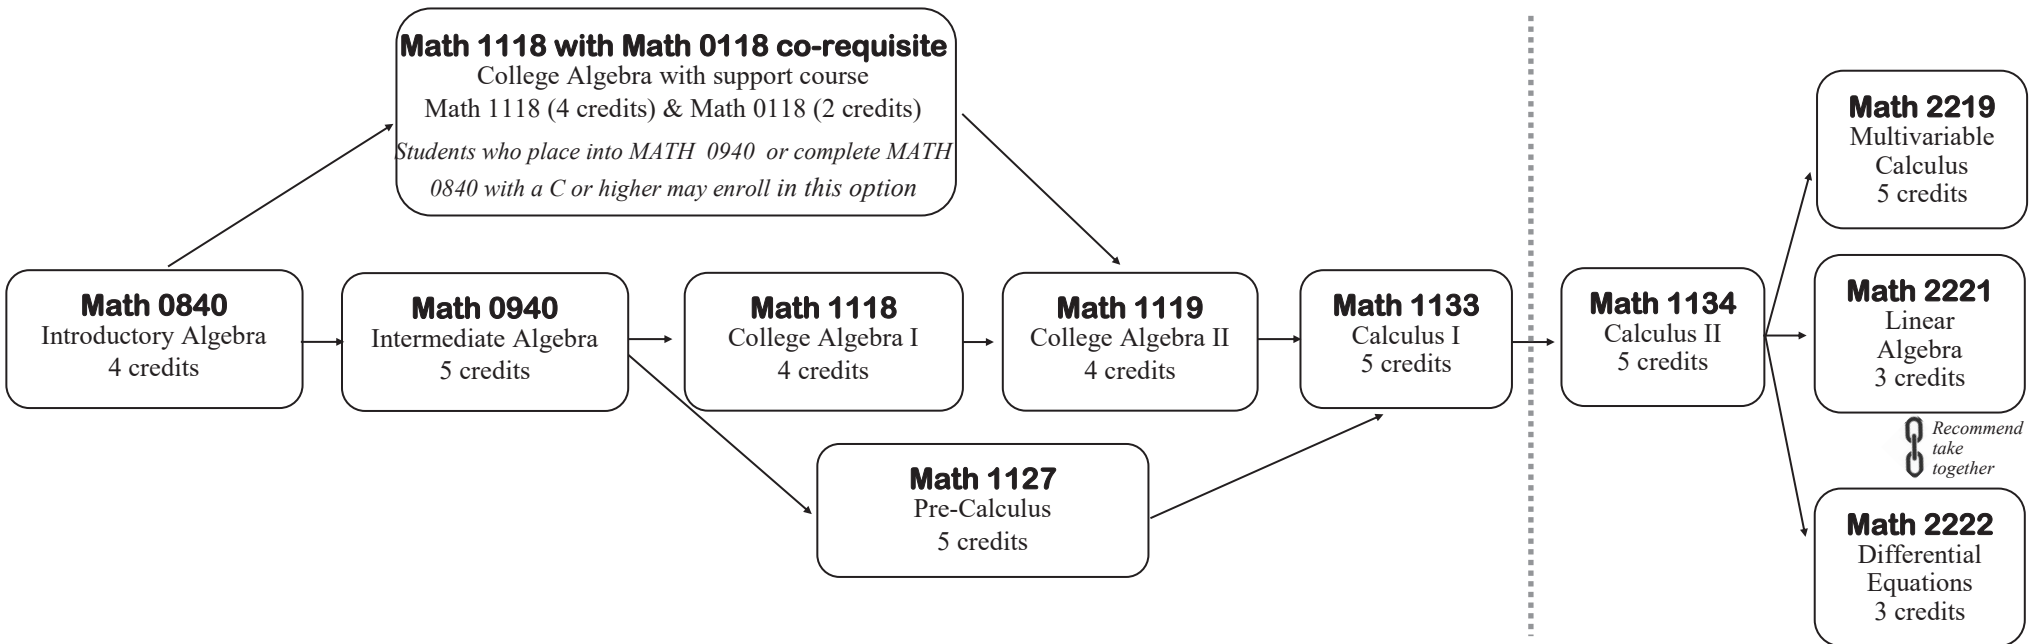

**NOTES**

- Courses below 1000 level prepare students for college level work. They do not fulfill degree requirements.
- MATH 0940 can be used to fulfill the prerequisite for MATH 1103 or 1107

**OPTION D:** For some Agriculture, Business, Forestry, and Science majors

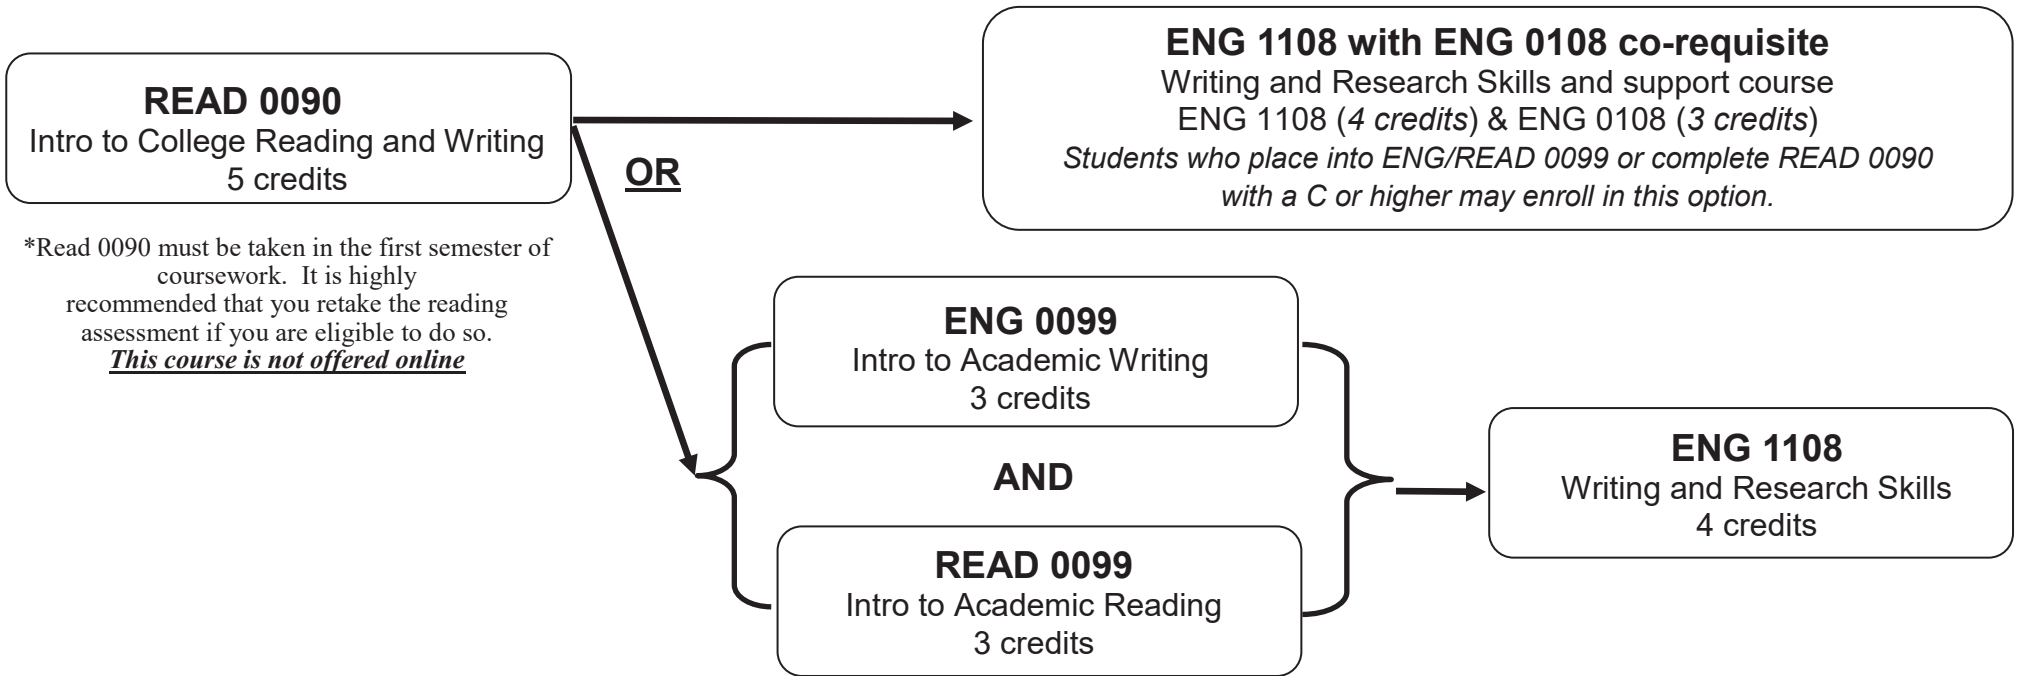

**OPTION E:** For Biology, Chemistry, Computer Science, Engineering, Math, and Physics majors  
*Note: Highest placement possible is MATH 1133. Subsequent courses are shown to indicate remaining sequence.*

**NOTES**

- Courses below 1000 level prepare students for college level work. They do not fulfill degree requirements.
- Students must earn an "A" or "B" in MATH 0940 to progress into MATH 1127

\*Read 0090 must be taken in the first semester of coursework. It is highly recommended that you retake the reading assessment if you are eligible to do so.  
*This course is not offered online*

### ASSESSMENT TESTING

Assessment testing is required of all new students, except when one or more of the following are submitted:

- Unofficial ACTs/SATs/MCAs
- Unofficial High School Transcripts + GPA
- College Transcripts

For more information on [exemptions](#) how and where to take the Accuplacer please visit our [Testing Center Page](#).

### RETEST POLICY

Students may take the placement tests twice within a testing term (the time immediately preceding a semester start), and not to exceed three total tests for a calendar year from the date of initial testing. After the third test attempt, students will need to wait to test again until after a year from the initial calendar test date, or unless approved by the Director of the Testing Center. Of the various test attempts, a student's highest score obtained will be used.

### PRACTICE QUESTIONS

Are available on the following websites:
