Policy 3.4 Admission

Part 1. Policy Statement
Inver Hills Community College considers all applicants for admission regardless of race, sex, color, creed, religion, age, national origin, disability, marital status, status with regard to public assistance, sexual orientation, or gender identity. The college follows an open access admission policy, which means that any person who has graduated from an accredited high school, successfully completed a General Educational Diploma (GED) examination, or who are 15 years of age or older and can demonstrate an Ability to Benefit is eligible for admission. Applicants under the age of 15 may be admitted with permission of the Vice President of Student Affairs or the Dean of Retention and Student Success. A lack of English language skills is not a barrier to admissions at Inver Hills Community College. English language learners may be referred to the English for Academic Purposes program. Admission to the College does not automatically qualify a student for all college-level courses and programs. Some career and transfer programs may also require specific prerequisites or additional requirements.
