Academic Advising

Students needing assistance with course selection and degree planning are encouraged to meet with an advisor. To connect with an advisor, visit www.inverhills.edu/advising or call (651) 450-3508.

Degree Audit Report

Are you taking the right classes for your degree? Log in to E-Services and click on Academic Records to view your Degree Audit Report. This report will show you how the coursework applies toward your degree, and what courses you still need to take to graduate.

How to Register

All returning students will search and register for classes by logging in to E-Services at www.inverhills.edu/students. If you are having difficulty accessing your E-Services account, please see Getting Help below under Student Online Accounts. Once you are logged in, click on Courses and Registration to get started. For detailed instructions on registering for classes, visit www.inverhills.edu/Registration/HowtoRegister.aspx.

New students should visit www.inverhills.edu/Admissions/ApplyNow.aspx for detailed information on admission and course registration. The Admissions Office can be contacted at admissions@inverhills.edu or (651) 450-3902.

Add, Drop and Withdraw

Course adds, drops, and withdrawals are completed online through your E-Services account.

A course add includes initial registration, additional registration, or substituting one class for another. Course adds must be completed by 11:59pm on the fifth business day of the term (for full-term and first-half classes) or by 11:59pm on the first business day after the start of the class (for late start and second-half classes).

A course drop occurs when a student removes a class from his/her schedule before: 11:59pm on the fifth business day of the term (for full-term and first-half classes) or 11:59pm on the first business day after the start of the class (for late start and second-half classes). Full refunds are given for course drops, and a dropped course does not appear on a student’s transcript.

A course withdrawal occurs when a student removes a class from his/her course schedule after the fifth business day of the term (for full-term and first-half classes) or after 11:59pm of the first business day after the start of the class (for late start and second-half classes). Course withdrawals are not permitted past the applicable withdrawal deadline; see your class schedule in E-Services to view the last day to withdraw for your courses.

• Students are strongly encouraged to meet with an advisor prior to withdrawing from classes. See above under Advising.

• Course withdrawals appear as a grade of “W” on a transcript and count against a student’s course completion rate, which can negatively impact satisfactory academic progress.

• Partial refunds for course withdrawals are given only when a student withdraws from all registered classes, and when the withdrawal occurs during the period of time when refunds are still being granted (see refund schedule below under Refunds).

• Students must drop or withdraw from courses they no longer plan on completing. Failure to do so may result in a grade of “FN” (failure for non-attendance). See Class Attendance Policy below for more information.

Refunds

BankMobile: Once you have registered for credit bearing courses at Inver Hills Community College, you will receive notification from BankMobile with instructions on how to select a refund preference. For more information about BankMobile, visit http://bankmobiledisbursements.com/refundchoices/. Your BankMobile code will be mailed to the permanent address that you have provided to the college. Please do not throw this code away. It is the key to selecting a preference for how you would like to receive any refunds from the college including financial aid disbursement, student payroll, and other refunds. After receiving your code, visit www.refundselection.com and follow the instructions. You may email your questions to ihcbankmobile@inverhills.edu.

Course Changes and Cancellations

The college reserves the right to change class locations, instructors and other conditions that do not alter the scheduling of the course. If the time, day or dates of a course are changed, or if a course is cancelled, the college will send a notification email to each registered student.

Course Waiting Lists

Students may add themselves to waiting lists for classes that are filled through their E-Services account. Once added to a course waiting list, notifications will be sent to the student’s personal email address;
students should ensure the email address on record is up to date (see Email as Official Communication below). Students are also strongly encouraged to log in to E-Services regularly to check on the status of waiting list entries. Being added to a course waiting list does not guarantee eligibility to register for the course. Students should check registration holds and any course prerequisites prior to receiving a seat offer to ensure eligibility to register when the seat is offered. Students have 24 hours to register for a course once a seat offer is made.

Assessments and Prerequisites
Assessment of college readiness: Assessments are placement tests designed to measure your ability to work at the college level in mathematics, writing, and reading. Your scores indicate what courses you may register for. You may need to take developmental courses before you are ready to take college level English, mathematics, and certain other courses. Developmental courses are numbered below 1000 and the credits earned in them do not count toward a degree, although they do count in your credit load each term for financial aid, insurance coverage, and other purposes. For information, see www.inverhills.edu/LearningSupport/TestingCenter. Students with previous course work or testing may be exempt.

Course prerequisites: If a course has a prerequisite, it is listed at the end of the course description. Requirements may include previous college courses or placement based on assessment test scores. Students without the specified prerequisite may not register for that class. The college reserves the right to drop you from courses for which you have not met the prerequisite requirement.

Reading assessment requirement: Students who place into READ 0090 or EAP 0090 must take one of these courses during their first semester at Inver Hills. Students who do not successfully complete the course will be required to re-enroll in the course in any subsequent terms of enrollment until the course is successfully completed.

Class Attendance Policy
Students may receive a course grade of FN or FW after two consecutive weeks of unexcused absence at any time during the semester. To read the complete Class Attendance Policy, visit www.inverhills.edu/Policies.

Satisfactory Academic Progress
In order to maintain enrollment and financial aid eligibility, students must make satisfactory academic progress. The Inver Hills Satisfactory Academic Progress policy requires that students maintain a 2.0 cumulative GPA and complete 67% of cumulative attempted credits. All students taking courses for credit are evaluated for satisfactory academic progress after each term of enrollment. Visit www.inverhills.edu/Policies to read the policy in its entirety.

Transfer Credit
Students who would like to transfer college credits to Inver Hills Community College must have official transcripts mailed directly to the Enrollment Center. For more information, visit www.inverhills.edu/TransferEval. Students who would like to transfer credit from another Minnesota State college or university should complete the E-Transfer Evaluation Request form, available at www.inverhills.edu/CollegeForms.

Grades and Transcripts
Grade reports are not mailed to students. You may view your grades online by logging in to E-Services; select Grades and Transcripts. You may print the grades screen if you need an informal hard copy of your grades or an unofficial transcript. Official transcripts may be ordered online for a fee of $7.25; visit www.inverhills.edu/LearningSupport/EnrollmentCenter/GradesTranscripts.aspx.

Graduation and Commencement
Students intending to graduate must meet with an advisor and submit the application for graduation to the Enrollment Center. For spring semester 2021, the application for graduation deadline is March 5. Students who complete their graduation requirements during the 2020-21 school year will receive an invitation to participate in the 2021 commencement ceremony. Information about the spring 2021 commencement ceremony will be published during the spring semester.

Tuition and Payment
www.inverhills.edu/Registration/TuitionAndPayment.aspx

Payment Deadlines and Fees
Drop for non-payment: You must pay tuition by the appropriate deadline or you may be dropped from your classes. Please Note: You will not be dropped from your classes if the Enrollment Center has received authorization for payment by an outside agency, you have filed for Financial Aid, or you have set up a FACTS payment plan by the payment deadline.

Institution-initiated payment plan: Minnesota State Procedure 5.12.3 intends that all students will pay in full no later than the college’s tuition and fee payment due date. This means that students are required to pay or enroll in the FACTS payment plan for any balance due that will not be covered by financial aid or waivers. However, colleges shall establish the student to a payment plan for those students who have made a partial payment but have not paid in full, initiated a payment plan, or dropped courses by Feb. 17. These students shall be charged a $30 payment plan fee in accordance with Minnesota State board policy 5.11.

Late fee: Students are expected to pay all accounts in full to the college when they are due. Payments received after March 14 will be assessed late fees. There is no late fee applied if you have FACTS payment plan payments coming in after that date. Students will have a registration hold until all amounts owed the college have been paid.

NSF Fee: When a check is returned to the college by the bank for nonsufficient funds, account closed or stop payment, an NSF fee of $20 will be assessed for each check (applies to tuition and all other payments).

Collection: Student accounts that are not paid by the late fee date may be submitted to a collection agency.

Tuition Rates and Fees
For current tuition and fee rates, visit www.inverhills.edu/Registration/TuitionAndPayment.aspx.

Amount Due
To view the amount of tuition you owe and to pay your bill, log in to your E-Services account and click on Bills and Payment on the left side of the screen. Please be aware that Inver Hills does not mail invoices.

Payment Options
The following options are available to pay your account balance:

- **Online**: Pay your balance online by logging in to your E-Services account; select Bills and Payment, then Make Payments.
- **In-Person**: Pay your balance in person by visiting the Enrollment Center. Cash, check, and credit card are accepted.
- **FACTS Payment Plan**: You have the option to make convenient monthly payments through the FACTS Payment Plan. Payments are automatically processed each month from your bank account or credit card. There is a non-refundable enrollment fee of $30 per semester. To sign up, log in to E-Services and select Bills and Payment, then Payment Plan. For more information, contact the Enrollment Center.
- **Third Party Payment**: To authorize a third party to make a payment on your account, contact enrollment@inverhills.edu.

Financial Aid
www.inverhills.edu/FinancialAid

The Financial Aid Office can provide information on federal, state, and local financial aid programs and scholarships. Students must apply for financial aid online at www.fafsa.ed.gov. Inver Hills’ school code is 006935. For information, stop by the Financial Aid Office or call (651) 450-3518. Students must apply separately for admission to the college.

Deadline for state grant: To receive a state grant, you must have
your aid application on file with the Department of Education within 30 days after the start of the term.

**Aid based on financial need:** Financial need is determined from your own or your family’s income and assets as reported on your FAFSA (Free Application for Federal Student Aid). If you are eligible for need-based aid and attend full time or at least half-time (6 credits), Inver Hills will help you secure the qualifying financial aid package, which may include grants (do not have to be repaid), loans (repayment begins when you complete your education for most programs), and/or student employment. If you plan to enroll for fewer than six credits per semester, aid may be available; inquire at the Financial Aid Office.

**Non-need based aid:** Loan programs are available to students at almost any income level. Students must apply for need-based financial aid before applying for these special loan programs and must be enrolled in six or more credits to be eligible.

**Student employment:** Contact the Financial Aid Office at (651) 450-3518 or visit www.inverhills.edu/eforms/OnCampusJobs.
