Elective Courses ..................................................... 18 cr

PURPOSE
The Associate of Arts (A. A.) degree is designed for students who want to complete the first two years of their bachelor’s degree and finish their general education requirements. Students build skills and knowledge in a variety of subject areas while completing the 40-credit Minnesota Transfer Curriculum (MnTC). In the process, students may explore possible majors and take essential pre-major courses. They work with their Inver Hills counselor or advisers to develop an educational plan and prepare for Junior-level transfer.

Use the Degree Audit Report System (DARS) to monitor your progress: inverhills.edu/dars
