Inver offers discounted course tuition for seniors

If you are 62 years or older and want to take a college course at Inver Hills Community College (Inver Hills), we want you! If there is space available in any course, seniors can enroll and pay only \$20 per credit in administration fees plus student fees.

Seniors can also “audit” a course – which means attending but not taking tests, being graded or earning college credit – there is no administration fee. Students auditing a class must still attend and participate as required by the instructor.

If you’ve ever wanted to learn photography, create ceramics, dig into history or any other interesting topic, check out all the great courses Inver Hills has to offer. Explore all our classes and register on the second day of the semester. To register, simply come to campus and visit the Enrollment Center any day the week starting Tuesday, January 14th.

Depending on the course and way in which you take it, some fees will apply. [See current fees here.](#)

Students are also responsible for any additional materials or personal property charges for credit courses or audit courses.

To learn more, please call our Enrollment Center at 651-450-3503 or email at enrollment@inverhills.edu.
